PERMISSION TO PHOTOGRAPH and VIDEOTAPE

From time to time photographs, audiotapes, and/or videotapes are taken of children in our program. We may use these on the blog, website, print media, and/or on bulletin boards to show what students have been learning and doing. They may also be used in fundraising materials such as flyers and/or PowerPoint presentations and advertisements, including press releases.

In order for us to include any images of your child in a public presentation, we need your permission.

I give my permission for photographs, audiotapes, and/or videotapes of my child, _____, to be used for program publicity.
